METAMORPHOSIS: 

SPONSORSHIP & EXHIBITION OPPORTUNITIES

The Inaugural
Asia-Pacific Conference on
Women's Mental Health

The Langham Hotel, Melbourne
11-13 Oct 2023

11 - 13 OCT 2023, The Langham Hotel

The Inaugural Asia-Pacific Conference on Women's Mental Health

Hosted by HER Centre Australia

The theme of the inaugural conference is *Metamorphosis: Women's Mental Health Through the Lifespan.*

We are at the forefront of a transformation in women's mental health. This conference will shine a spotlight on the cutting-edge data, groundbreaking research, and revolutionary treatments that are paving the way for a brighter and more equitable future.

With a combined research and clinical focus, we are proud to assemble an impressive lineup of distinguished mental health experts and trailblazers.

We are pleased to invite both local and international companies and organisations to participate in the inaugural Asia-Pacific Conference on Women's Mental Health, hosted by HER Centre Australia in Melbourne.

This mixed-format event will attract 250 psychiatrists, psychologists, mental health workers, carers, consumers, researchers, policy makers and bureaucrats from across the globe.

The 2-day program will focus on the biological, psychological and social impacts on women's mental health across female life transitions; from youth and adolescence through to menopause and later life.

Through a series of expert keynote lectures, diverse workshops and poster

sessions, specific illnesses such as PMS, PMDD, post traumatic stress disorder, post partum illness, eating disorders, issues relating to menopause, ageing and sociological issues such as domestic violence, will be explored.

The conference program will be further enhanced with social events allowing valuable networking opportunities and an insight into Melbourne at its finest.

Held at the prestigious Langham Hotel in Melbourne, the program will be complemented by a trade exhibition featuring the latest developments and innovations in the field.

Opportunities for you to be involved as a sponsor or exhibitor are detailed on the following pages. Our conference organisers are happy to discuss details and provide more info.

The conference aims to broaden our views, bring together new, diverse knowledge, and motivate delegates to explore potential collaboration projects at a local, national and international level.

We are bridging the gap between clinical and research by joining professionals and consumers together to discover advancements in science and treatment approaches, and providing new challenges for clinicians, researchers and policy makers. We look forward to seeing you there.

Revolutionising Women's Mental Health

Why Sponsor The Women's Mental Health Conference?

Our partnerships are built on shared values and a common purpose; towards a healthier, more equitable future for all.

Our partners benefit from exposure to a captive, diverse audience of change-makers and alignment with an organisation that fosters innovation, diversity, and inclusivity.

Sponsorship of the women's mental health conference provides an excellent opportunity to promote your name, support your brand(s) and maintain a high profile among researchers and clinicians before, during and after the event. Your organisation will be widely and purposefully acknowledged as outlined in this proposal.

Conference participants are keen to improve their scientific knowledge. Aligning your company with this powerful educational experience demonstrates your commitment to assisting their development at a deeply personal level.

Sponsorship provides you with an opportunity to consolidate corporate relationships and expose your staff to their key markets.

Your representatives can mix informally with professionals from Australia, New Zealand and Asia as well as others from around the world.

Your company will benefit significantly from exposure to a keenly interested, relevant and, above all, influential audience in an educational environment away from the competition of everyday distractions.

Sponsorship contributes to the promotion, planning and operation of the conference, enabling a higher level of participation by delegates and greater brand association.

The Asia-Pacific Conference on Women's Mental Health sponsorship and exhibition team will be delighted to meet with you to discuss these opportunities or any other ideas you might have for promoting your products or services.
